

## **REMARKS**

### Summary of Office Action

Claims 50-55 and 57-58 have been rejected under 35 U.S.C. § 102(b) as being anticipated by James U.S. Patent No. 5,052,029 (hereinafter, "James").

Claims 56, 59-60, and 63 have been rejected under 35 U.S.C. § 103(a) as obvious from James in view of Roy U.S. Patent No. 6,831,899 (hereinafter, "Roy").

Claims 61-62 and 64-65 have been rejected under 35 U.S.C. § 103(a) as being obvious from James in view of Edens U.S. Patent No. 6,611,537 (hereinafter, "Edens").

### Reply to Office Action

Claims 1-49 and 66-70 had been elected to be maintained in a suspended status in a reply filed on May 5, 2007. Claims 50-65 were canceled in the reply filed on September 3, 2007.

Applicants have cancelled suspended claims 1-49 and 66-70, and have added new claims 71-95. Accordingly the outstanding rejections of claims 50-65 are moot because claims 50-65 were canceled in a previous reply to Office Action.

Applicants reserve the right to pursue the subject matter of the cancelled claims in one or more divisional and/or continuation applications.

Because applicants have canceled all outstanding claims and substituted new claims 71-95, no additional claim fees are due at this time. Claims 71-95 are currently pending in this application.

Conclusion

In conclusion, applicants respectfully request the allowance of new claims 71-95. Applicants respectfully anticipate a prompt and positive response.

Respectfully submitted,

Joel Weiss, Esq.  
Weiss & Arons, LLP
